

Advantages of Leasing Equipment

with Classic Funding Group

Access business equipment you need now without the upfront cost!

Cashflow Friendly

\$0 deposit and fixed monthly repayments make cashflow predictable and easier to manage

Tax & Budget Effectiveness

Repayments are treated as an operating expense and may be 100% tax deductible with business use*.

End of Term Options

At the end of the term, you can choose to purchase, continue renting, upgrade or simply return the equipment

Upgrade & Update

Avoid equipment becoming obsolete by either upgrading or adding additional equipment, at anytime!

Fast

Prompt credit decisions, electronic document signing and same-day settlement for fast access to the equipment you need

Simple Process

No financials required for up to \$75K*, easy application process and friendly support team throughout the process
